

**REMARKS**

Applicants have amended claims 8 and 21 in order to correct trivial errors. These amendments do not affect the scope of the claims as allowed, nor do they change the basis for the patentability of the claims. As the Examiner has authority to enter amendments submitted after Notice of Allowance of an application which embody merely the correction of trivial matters, Applicants request this amendment be entered without withdrawing the case from issue.

Claims 1-8, 11-21 and 24-28 are allowed pursuant to the Notice of Allowance mailed April 5, 2005.

It is submitted that the patent application taken together with the Specification and drawings of record, is now in proper form to proceed to publication and issue.

Respectfully submitted,
